

April 10, 1987

LB 430

through April 9. That is all that I have, Mr. President.

SPEAKER BARRETT: Thank you. Moving to Select File, special order. LB 430, Mr. Clerk.

CLERK: LB 430 is on Select File. The first item I have are Enrollment and Review amendments. I'm sorry, Senator, I do not have...yes, I do have Enrollment and Review amendments.

SPEAKER BARRETT: Chairman Moore.

SENATOR MOORE: Mr. Speaker, I move we adopt the E & R amendments to LB 430.

SPEAKER BARRETT: The motion is to adopt the E & R amendments to LB 430. Those in favor say aye. Opposed no. Carried, they are adopted.

CLERK: Mr. President, the Revenue Committee would like to have an Executive Session in the Lounge, Revenue Committee in the Lounge, right now. Mr. President, the next amendment I have to the bill is by Senator Hall. Senator Hall's amendment is on page 1582 of the Journal.

SPEAKER BARRETT: Senator Hall, please.

SENATOR HALL: Thank you, Mr. President and members. This amendment is a technical amendment. It was an oversight on my part. When I looked at the committee amendments, in the original bill, as you remember, increased the speed limit to 75. When I did that I also increased the points. I did not strike that in the committee amendments. It was an oversight on my part. This amendment does nothing more than have the points go back to the...the way they were originally assessed. I would urge the adoption. Thank you.

SPEAKER BARRETT: Thank you. Discussion on the amendment? Seeing none, those in favor of the adoption of the Hall amendment vote aye, opposed nay. On the amendment offered by Senator Hall. Have you all voted? Record.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of Senator Hall's amendment to the bill.

SPEAKER BARRETT: The amendment is adopted.
